

# ACORN CREEK FARM LLC

## Community Supported Agriculture (CSA)

With CSA membership, you will enjoy 18 weeks of your favorite seasonal produce from mid-June into October.

Naturally grown and packed fresh at our farm, each share box contains about 3/4 bushel of produce (amount varies by the time of year), with recipes and a newsletter.

Your financial commitment early in the year allows us to buy supplies and plan our crops. We ask for your input to enhance the CSA, and we welcome visits to the farm.

## Price & Delivery

A subscription costs \$250, with the first \$125 installment due with your application, and the second installment due on June 15.

Members come to the farm to pick up their weekly box on Thursdays from 1 to 6 pm.

### Typical Weekly Shares

June	Spinach, lettuce, radishes, carrots, herbs
July	Carrots, summer squash, cabbage, broccoli, beets, red potatoes
August	Sweet corn, potatoes, Walla Walla onions, green peppers, tomatoes, basil, zucchini
September	Cauliflower, tomatoes, melons, eggplant, cucumbers, green beans, red peppers
October	Winter squash, kale, leeks, storage onions, kohlrabi, pumpkins, potatoes

## 2009 CSA Membership Agreement

- I would like to be a shareholder in the Acorn Creek Farm CSA.
- I have enclosed \$ \_\_\_\_\_.
- I do not want to join right now but keep me on your mailing list.

CSA members share the hopes and risks of farming, and accept that the quantity they receive may be more or less than expected, depending on weather and other factors.
